

Team Manager Duties

Thank you for electing to become a team manager for Hurstbridge Hurricanes Basketball Club. Your assistance in allowing our children to compete in the sport of basketball is greatly appreciated.

Your key roles as Team Manager include the following:

Pre Game

- Assist the coach in relaying information to children and their families;
- Preparation of a scoring roster prior to season commencing;
- Contact players and coach regarding change in game times, venues, etc
- Ensure all players are aware of their next game time;
- Ensure colour clashes are addressed. You will need to contact your Age Level Coordinator to arrange for our alternative singlets. (Only occurs when we are the home team)

Game Day

- Arrive at the game at least 15 minutes before commencement so you can pay the match fee and input players names into the computer score page (or on score sheet). (Match Fee can vary depending on venue)
- Always ensure the score page is fully completed. (This includes Team Name, Grade, Date and players names in numerical order via singlet number)
- Ensure injured players are noted on the score page.
- Ensure your nominated scorer is available. If not arrange a replacement.

Towards the End of Season

- Distribute and collect Registration Forms for the upcoming season.
- Organise a present for the coach.
- Remind players and coach that to play in finals, players need to have played at least 7 games during the season.

If you require any assistance, please contact your relevant Age Level Coordinator
